[You would be stupid to show up to a revolution unarmed and to think you can just get rid of communism by stomping your feet. If your greatest fear is getting arrested then you've already lost and I can't trust you to have my back. You can call me a glowie all you want, but you know I'm right.](#) (media.thedonald.win)

Let no Pedo be arrested. Swarm the brainwashed UN police that try to pick off Patriots.

Thugs spend 10 years in jail just to get a criminal career and don't bat an eyelid at it. Then they do it again.

Prepared or not, the choice is to say "No, the Constitution says THIS," or to say "There is no Constitution, sterilization and chains, please!" And as much as I wish it had happened a couple decades ago and we were in the golden age, that's not what happened, and we've got to get this shit sorted out now, or it's never gonna get sorted out.
